

### Pistol Light

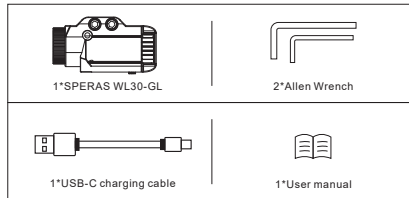

User Manual

Please read the manual before the first usage

### Danger and Warning

- DO NOT shine the light directly into eyes. This may cause temporary blindness and/or cause permanent damage to the eyes.
- DO NOT cover the light head when the flashlight is on or place the light head on the ground. The heat dissipation of the light may cause damage to the flashlight itself or even result in burning other objects.
- Keep out of reach of the children.
